

There are breaks on IT Services from March 17 to March 19, 2017

There are breaks on IT Services due to maintenance work during weekend from March 17 to March 19, 2017.

Additionally services are working slower than normally.

On Sunday March 19, 2017, access servers of Microsoft Office 365 are updated. This will cause disruptions in logging in O365 cloud services of Metropolia all the day.
