## Selling credit to another student

The user must take care of his or her balance at the end of studies. We recommend selling the remaining credit to e.g. other students.

## Credit refund

Metropolia does not refund credit less than 10€. In case of bigger balance, credit can be refunded. A three euro handling fee will be deducted from the refunded credit.

To get credit refunded, please make a service request at [hd.metropolia.fi](https://hd.metropolia.fi). In the request, please indicate your banking details including the name of the bank account owner and the account number to which you want the remaining credit to be directly deposited.
