

IT systems under maintenance Fri 22.10 at 4 p.m. – Sun 24.10. at 11:59 p.m.

Subject of maintenance: Metropolia's communication and server systems

Maintenance work begins: Fri 22.10 at 16

Maintenance work ends: Sun 24.10. at 11:59 p.m.

Effects:

- Short outages for the entire Metropolia telecommunications environment
- Short downtime for most IT services provided by Metropolia, such as
 - financial and human resources management systems,
 - e-mail,
 - Skype For Business,
 - network disks (Z, U, W, T, S, P),
 - O365 logins,
 - desktop virtualization (desktop and securedesktop)
 - web services for teaching and projects, e.g. Exam, users, vhost, mysql, mysqlproj, projects servers, wiki.metropolia.fi, www.metropolia.fi, ezproxy.metropolia.fi, elomake.metropolia.fi and Moodle.

Specifically known service interruptions:

Saturday, October 23:

- klo 4 p.m. - 5 p.m.: moodle.3amk.fi
- klo 5 p.m. - 6 p.m.: www.valmentavakoulutus.fi
- klo 6 p.m. - 8 p.m.: moodle.metropolia.fi

Sunday 24.10. Longer downtime in the OMA service due to server maintenance.
